SIGNATURE IMPACT 12 months

The cover of "THE AIMIS REPORT" for July 2025. It features the AIMIS logo at the top right, a date stamp "JULY 2025" and the website "www.aimis.org". Below the title, there are two portraits of men in suits. To the right of the portraits is a "Las Vegas" sign graphic. At the bottom right is a "STEVE LAS VEGAS" sign graphic. The text "Dear AIMIS Community:" is followed by a paragraph about the upcoming Las Vegas event on September 18, a one-day immersive training designed to deliver the latest in surgical innovation, robotic techniques, and practical tools for better patient outcomes. It mentions that space is limited and that they've already seen strong growth in membership, new partnerships, and continued recognition for their commitment to advancing women's health. It thanks the community for being part of this journey and is signed by Dr. Steve McCaus and Christopher Guinn, AIMIS Leadership.

AIMIS is hosting a series of events focused on innovative treatments in minimally invasive surgery. These gatherings offer a unique opportunity to engage in dynamic discussions and practical learning experiences with leading experts in the field.

NEW! AIMIS BLOG POST

Would You Want to Be the First Patient of a Surgeon Who Learned How Technology Online?

By Christopher A. Guinn, CEO of AIMIS

In the year following COVID-19, physician learning habits have changed dramatically. The pandemic accelerated a trend that had already begun: doctors opting for online (LME) continuing medical education over traditional in-person events. And on the surface, this shift makes sense. Click here to read the blog post.

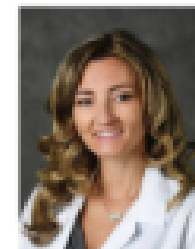

Future of women's surgery may be through the belly.
The reproductive system (RS) is a complex system that has long been a challenge for women's health. The future of women's surgery may be through the belly.
